

By Order No. PSC-94-0461-FOF-WU, issued April 18, 1994, the Commission suspended the proposed rate tariffs of St. George Island Utility Company, Ltd. (St. George) and granted an interim rate increase, subject to refund. As guarantee for any potential refund, the Commission required St. George to obtain a bond in the amount of \$34,307. St. George filed a bond in the above amount on July 22, 1994, which was designated as Document No. 07495-94.

By Order No. PSC-94-1383-FOF-WU, issued November 14, 1994, the Commission determined that no refund was required, and released the bond. Accordingly, the purpose of this memorandum is to request that Document No. 07495-94 be returned to St. George so that it may be canceled.
