I the undersigned, make application for gas service as indicated above, and agree to the provisions on the reverse side hereof

Customer: Approved by Owner, Date: 8.14.92

Approved by Owner, Date

FORM NO 350 REV. 9-72

The Applicant named on the reverse side hereof makes application to Peoples Gas System, Inc. (Company) for natural gas service under the classification indicated on the reverse side hereof:

Gas is to be delivered to me at the outlet side of the Company's gas meter serving the premises indicated on the reverse side hereof, such meter and service line there to be installed and operated at the cost of the Company, if located on my property, the site therefor to be furnished free of charge by me.

The Company and its representative are hereby authorized to enter upon and install on my property the gas meter or meters, and gas pipe for furnishing gas to said address, and to ditch and lay pipe as is outside the building. The gas pipe from the Company's gas system to and including said meter or meters shall be owned, operated, and maintained by the Company with a perpetual right of ingress and egress thereto being hereby granted to the company for such purpose. All gas pipe, from the outlet side of said meter or meters, shall be owned, operated and maintained by the undersigned at his sole cost and risk.

I will receive and pay for all gas delivered to me according to the applicable rules and regulations filed with the Florida Public Service Commission under the applicable rate schedule, any gas delivered to me at any other delivery point is also subject to the terms and conditions hereof. No oral statement shall change the terms of this obligation.

If this application is for LP Gas service the terms and conditions stated below are applicable.

**LP GAS SERVICE:**

In consideration of Peoples Gas Company or The Tampa Bottled Gas Company (Company), agreeing to supply LP Gas to the consumer named on the reverse side hereof (Consumer), it is mutually agreed that:

Title to and property in the LP Gas tank and equipment are and remain in the Company and Company may add to or deduct from or otherwise alter in any manner its LP Gas equipment. Consumer grants to Company free right of ingress and egress to the premises of the Consumer for all purposes necessary to the rendering of service and delivery of Lp Gas. All equipment and piping shall remain personal property, even if attached to realty, which can be removed from the premises without damage to the premises.

Consumer agrees to purchase from Company, all of Consumer's requirements of liquefied petroleum gas used on the premises at the location shown on the reverse side hereof:

Company may shut off the supply of LP Gas or terminate this agreement and remove appliances at any time for any of the following causes: (a) Breach of any of the terms and conditions hereof. (b) Non-payment of any charges for LP Gas, or other charges hereunder (c) Non-occupancy by Consumer of premises where LP Gas equipment is installed except during any authorized non-usage period. (d) Failure of Consumer to pay Company for special trips to deliver LP Gas made necessary by Consumer's failure to pay bills when due. (e) If any product other than that of the Company is used with said equipment. (f) If a mortgage or other prior lien upon the premises is foreclosed, or if there is a sale or other transfer or conveyance of the premises.

Company has the right to alter its schedule of charges for Lp Gas and service at any time without notice.

Consumer agrees to indemnify the Company for destruction of or damage to said equipment (except damages due to ordinary wear and tear).

This agreement is not assignable or transferrable by the Consumer without written consent by the Company.
