ORDER INDICATING NONJURISDICTIONAL STATUS  
OF SAM RODRIGUEZ AND CLOSING DOCKET

BY THE COMMISSION:

On August 1, 1995, Sam Rodriguez filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Sam Rodriguez's system and the race track, which it will serve, are currently under construction. The race track will be located on State Road 52 in Land O'Lakes, Florida. Mr. Rodriguez, owner and primary contact person, filed the application for nonjurisdictional status.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Sam Rodriguez's application, water service will be provided only to the race track located on State Road 52 in Land O'Lakes, there will be no charge for providing the service, and all costs of providing service will be treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Rodriguez

acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Sam Rodriguez is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Sam Rodriguez is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, Sam Rodriguez, as the owner of the system to be located on State Road 52 in Land O'Lakes, Florida, or any successors in interest, must inform the Commission within 30 days of such change so that his nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Sam Rodriguez, 3914 Eden Rock Circle East, Tampa, Florida 33614, is not a water and wastewater utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. This finding is only for Mr. Rodriguez's system which will be located on State Road 52, Land O'Lakes, Florida. It is further

ORDERED that should there be any change in circumstances or method of operation, Sam Rodriguez, as the owner of system, or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate its nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 21st day of August, 1995.
