SECOND AMENDATORY ORDER

On December 1, 1995, the Commission issued Order No. PSC-95-1348A-FOF-TI, Amendatory Order. This Order, which corrected an earlier order issued November 1, 1995, still contained some erroneous information. In the Amendatory Order, it was inadvertently stated that World Access Communications Corp. held a pay telephone certificate. In fact, World Access Communications Corp. is an Interexchange Carrier. Therefore, the text of Amendatory Order No. PSC-95-1348A-FOF-TI is hereby deleted and the following amended text should be inserted as follows:

By letter dated September 11, 1995, Telecommunication Services, Inc., holder of Interexchange Telecommunications Certificate of Public Convenience and Necessity Number 2385, requested that Certificate Number 2385 be amended to reflect the new company name "World Access Communications Corp." Upon review of the Department of State, Division of Corporations' records, it appears that Telecommunication Services, Inc., has properly registered the new operating name. Accordingly, we find it appropriate to amend Certificate Number 2385 to reflect the new operating name.

This Order will serve as World Access Communications Corp.'s amended Interexchange Telecommunications Certificate of Public Convenience and Necessity Number 2385. World Access Communications Corp. should retain this Order as evidence of the name change.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. Order No. PSC-95-1348A-FOF-TI is amended to reflect approval of the request by Telecommunications Services, Inc. to change the name on Certificate Number 2385 from Telecommunications Services, Inc. to World Access Communications Corp. It is further
