**RE: Docket No. 951190-SU, Application for certificate to provide
wastewater service in Pasco County by Sky Acres Enterprises**

Dear Patricia Brady:

The following is enclosed.

1. Operator License I finally got a hold of Darrel Adams - Environmental Services for their License Number and Expiration Date. They told me that the company itself does not have a License but that their operators do. The gentleman working for Darrell Adams Environmental that services the wastewater treatment plant is Jeffrey G. Wiener. Jeff's license number is C008000 and was issued November 1990.

I spoke to Ron Hoffer on Thursday May 16, 1996 and he told me that he has located the System Map and he will be getting it to you. I would imagine it should be there already. He had no new news for me about the DEP permit. I will be talking to him on Tuesday and will let you know what progress has been made. Thanks

Sincerely

Paul Hoffer
