Dear Mrs. Bayo:

In Re: Docket Number 960330
United Telephone Company of Florida
Request for blocking inward calls

In a letter dated March 7, 1996, United Telephone Company of Florida (Sprint) submitted a request for the blocking of incoming calls for 24 pay telephone locations. Docket Number 960330 was established to manage that request.

Circumstances have changed and the blocking at these locations is not appropriate at this time. This letter is Sprint's formal request to withdraw all of the requests contained in Docket Number 960330.

If you have any questions, please call me directly at 407-889-5403.

Sincerely,

R. J. Merkle
