Re: Notice of Application For Extension Of Service Area  
copy attached

To whom it may concern:

We arrived home from vacation to find the enclosed in our mailbox, not knowing all the legal descriptions but having this sent to us, I assume they mean our subdivision Sherwood Hill, Ocala, Florida as one of the areas proposed.

Once again "big" business is trying to take over the little man. We want to go on record as being vehemently opposed to this "take over" of our subdivision.

We were one of the first families in this subdivision and still remain here 32 years later. We have had our "own" wells for 32 years and are very pleased with this setup. Just last year we invested over \$1,000.00 into a new pump and are not at all interested in having Windstream Utilities Company take us over.

We were not given any other notice what so ever of this proposed take over by Windstream. We feel this is a bit underhanded. If Windstream Utilities Co. thought we would be so interested in this takeover, why did they not give us prior notice.

It becomes harder each day for the "little man" to make it finacialy in this world and this is just one more BILL for us to pay.

Please register a big NO for us on this proposed take over of our water system.

Thank You,
