RE: Turkey Creek, Inc., etc. v. Florida Public Service
Commission

Dear Mr. Jaeger:

My clients have reviewed your last presentation and made their own calculations, which I present to you herein, by referring to your paragraph numbers set forth in your, "Summary of Turkey Creek Refunds Due, Including Interest."

Paragraph One and Two: Our staff inserted the PSC mandated rates into the billing program and ran a total; this figure was subtracted from the actual billed total for a refund amount. The correct amount is around \$23,000, and it will be borne out in the supporting documents Mr. Hope is sending you under separate cover.

Paragraph Three: Without admitting either liability or the accuracy of this number, we are prepared to pay \$205.74.

Paragraph Four: The only money ever paid to my clients by TCMOA for fire protection preceded the turnover date and thus is beyond the PSC's jurisdiction.

Paragraph Five: The arithmetic here seems wrong. At \$17 per charge for 30 units, the total would be only \$510. Anyway, the 30 unit assumption is wrong, as the late-pay rate was only about three (3%) percent, or 9 units. The adjusted amount should be (\$17 x 9 units x 3 months) \$459.

Paragraph Six: Using the \$25 refund rate for the three month period is okay, but the number of new accounts to which it applies needs to be adjusted downward to 26, which is the actual number from our records. The correct amount here is (\$25 per unit x 26 units) \$ 650.

Refund Protocol: Mr. Hope has contacted the City of Alachua about handling the mechanics of the refund process. One proposal is that

the City make the refunds and keep, for its trouble, any of the unclaimed money. Please let us know the P.S.C.'s position.

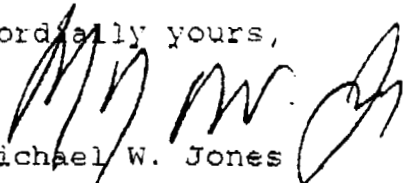

Interest Rate: In consideration of the above, the PSC will waive any claim of interest, penalty or fine in this regard.

Stay: We have a hearing pending in the circuit court, and some approaching briefing deadlines in the First District. I propose we stay each court proceeding until we finalize the settlement, to save time and money for all concerned.

Timing: We are prepared to meet the above obligations very shortly after we sign off on a settlement agreement, to finally close out this dispute.

Please let me hear from you as soon as possible. Thank you.

Cordially yours,

Michael W. Jones
