Re: Docket No. 961246-WS; Application for Amendment of
Certificates Nos. 533-W and 464-S by Southlake Utilities, Inc.
in Lake County.

Dear Mr. Mears:

After reviewing the application in the above referenced docket, the staff has identified the following deficiencies as well as additional information that is needed to process the application.

1. As required by Section 367.045(1)(a), Florida Statutes (FS), and Rule 25-30.030, Florida Administrative Code (FAC.), the utility must provide notice of the application and provide affidavits that the notice was given. The notice must be published in a newspaper. The application stated that the affidavit of newspaper noticing would be a late filed exhibit. Please file the affidavit when the noticing is complete.
