**DATE:** November 26, 1996  
**TO:** Commissioner J. Terry Deason, Prehearing Officer  
**FROM:** Rosanne G. Capeless, Senior Attorney, Division of Legal Services *MSC RAS*  
**RE:** Docket No. 960984-SU - Investigation of possible overearnings in Volusia County by North Peninsula Utilities Corporation.

On November 18, 1996, North Peninsula Utilities Corporation (utility) filed a letter requesting an extension of time in which to respond to the overearnings investigation audit report. Because the utility has provided security for the continued collection of its rates and charges pending the outcome of the overearnings investigation, and there are no critical dates by which this case must be processed, we would like to request that the Chairman:

- 1) Reschedule the Prehearing Conference from June 17, 1997 to September 30, 1997; and
- 2) Reschedule the Formal Hearing from July 16 - 17, 1997 to October 16 - 17, 1997.

I have attached a memo from you to Chairman Clark requesting the rescheduling of the prehearing conference and formal hearing. If you have any questions, please call me. Thank you.
