Dear ~~Laura~~

TF801

I have received a confusing certified letter stating I owe 250.00 fine.

I mailed a copy form raised to me after the first of this year regarding the amount of money I lost last year.

I received no other form until now requesting additional information.

Around the 1st of June, 1996 I have three phones I ~~had~~ <sup>were</sup> removed from ~~their~~ their location because the monthly phone bill was more than what I received from the phones. I had only lost money since they were ~~not~~ installed. They are now in my home not being used.

Then on 11/23/96 I received a certified letter stating I owed 250.00 fine because I had not paid the regulatory assessment fees required by section 364.336. I have no idea what the letter is talking about. I cannot understand how I owe anything. I have filled out whatever form has been requested of me. Please explain to me how I owe anything.

Sincerely,  
Jean Trautwein
