RE: Request for Specified Confidential Classification for PATS Access Line Quarterly Report

Dear Mr. Carver:

The Florida Public Service Commission (FPSC) is reviewing your Request for Specified Confidential Classification for the Pay Telephone Service (PATS) Access Line Quarterly Report, dated April 21, 1997. In order to develop a recommendation, Staff needs additional information regarding your request.

Please clarify the justification for your request in accordance with 25-22.006(4), Florida Administrative Code (FAC), Request for confidential classification. In particular, for each field of the database supply rationale as to why the information should be deemed confidential. It would especially be helpful if BellSouth could identify any harm that has occurred subsequent to the filing of the information in previous years.

The FPSC should receive your response by July 28, 1997. If you have any questions, please call me at (904) 413-6584. Thank you, in advance, for your attention to this matter.

Sincerely,

Natalie M. Monteiro
