RE: Tariff Sheets

Dear Ms. Kummer:

At the regular meeting held July 9, 1997, the Utilities Commission approved the enclosed tariff sheets after holding two public hearings regarding same. Please file these tariff sheets in the usual manner and return the approved originals to my attention.

It is proposed that residential electric rates be reduced by 5%

Should you have any questions or need further information regarding this matter, please feel free to call me at 904/423-7100 or fax me at 904/423-7175.

RATE SCHEDULE RS-4 RESIDENTIAL SERVICE ELECTRIC RATE SCHEDULE

The Utilities Commission shall charge and collect for residential electric service energy on the basis of availability, application, character of service, monthly rate, fuel and purchased power cost adjustment clause and tax adjustment clause.

Availability

This schedule is available at any location within the Utilities Commission service area in accordance with the service policies of the Commission.

Application

To residential customers in single family dwelling units when all electric service supplied to the dwelling unit is used for household purposes and is measured through one meter. If a portion of the electric service supplied to a dwelling unit is used for non-residential purposes, and the customer can arrange his wiring in such a manner that the electric service for residential purposes and non-residential purposes can be metered separately, this rate schedule is applicable to the portion used for residential purposes. Electric motors used for residential purposes and rated at more than five horsepower may be connected at the option of the Commission

Character of Service

Single phase, 60 Hertz, 120/240 volts. Three phase service may be furnished if available at the discretion of the Commission.
