Re: Rider FTA Quarterly Report - Revised
Docket 961236-GU
Order No. PSC-96-1515-FOF-GU

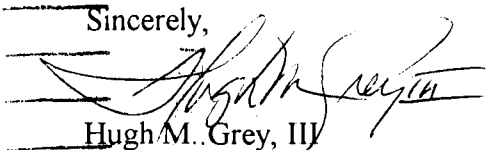

Dear Ms. Bayo:

In accordance with the above referenced Order, Peoples Gas System, Inc. hereby files its revised quarterly progress report regarding its Firm Transportation Aggregation Service Rider (FTA), for the second quarter of 1997. Transportation service under this rider began on January 1, 1997.

The number of customers in April, May and June of 1997 has been revised for the following Supplier/Marketers: Applied Financial Svc., Citrus Trading, e'prime, Southbound, Inc., Teco Gas Marketing, Texas-Ohio Communication, Texas-Ohio Gas, Texas-Ohio Pipeline and End Users, Inc. The reason for the correction is that the August 1, 1997 report figures were the total number of meters for each Supplier/Marketer. The corrected figures in the attached report properly show the number of customers, some of which are served through more than one meter.

We apologize for any inconvenience this revision may have caused. If you have questions or comments, please contact me at (813) 228-4668.

Sincerely,

Hugh M. Grey, III
Manager, Regulatory Affairs
