~~Dear Mr. Watford:~~ *Steve,*

The following constituents have contacted me complaining about their water:

- George Curry, 8426 Ashford Place, New Port Richey 34655 (376-8555), called to complain about how much water is coming into his home. It seems that he is sharing a supply line with the house next door. This line is too small to adequately service both homes.
- Lucy Ruffle, 4125 Raccoon Loop, New Port Richey 34653 (376-0530), called to complain about her water meter. Her bills have been extremely high for the amount of water she believes she uses. She is afraid that there may be a leak in a line somewhere.

I would greatly appreciate any assistance you can provide to these individuals.

Thanks in advance for your help. If I can ever do anything for you, please do not hesitate to contact me.

Yours truly,

Mike
