To Whom It May Concern:

We are writing to you concerning a letter we received from Rainbow Springs Utilities L.C. regarding application for including our home and surrounding neighborhood in their service territory.

Our home as well as all the residents of the Woodlands and Forest areas of Rainbow Springs are on one acre lots or over and all have existing wells and septic tanks. There is no need at present or future time for the need of a public sewer/water system. Therefore, we do object to the extension application mentioned above.

Sincerely,

Douglas & Jayne Billig
