Re: Docket No. 971182-SU, Application for a Staff-Assisted Rate Case in Marion County by BFF Corporation

Dear Mr. deMenzes:

On March 27, 1998, we received your request for consideration of additional engineering costs and rate case expense to be included in final rates for the above-referenced docket file. In order to consider the inclusion of these additional costs, additional time is required to review the costs, verify the services performed, and make a final determination regarding the inclusion of the requested additional costs.

Staff has revised the case scheduling record (CASR) with the final recommendation scheduled for filing on April 30, 1998 and an agenda conference date of May 12, 1998. We will provide you with a copy of the final recommendation once it is filed. The final recommendation will address your requests as filed with our office. Also, as requested, we are returning the utility's operations and capacity analysis manual.
