Dear Sir:

I am apposed to the Petition for another rate increase of any kind to this utility. Barefoot Bay residents suffered a huge increase by this utility a year ago - General (many) residents on fixed incomes had to give

up their homes due to cost of  
living expenses in the Bay.

Another rate increase by the Cities  
Water will be unfair & unjust.  
Had the developer been honest  
and kept the facilities as they  
should have the cost increase  
could have been waived.

Please, please, please - no more  
rate increases for this one utility!  
Seems they are the only ones asking  
for more, more, more!!! Let's  
not do it. Thanks  
resident Bay
