RE: Docket No. 980307-WS - Application for certificate to provide water and wastewater service in Orange County by Zellwood Station Co-op, Inc.

Dear Mr. and Mrs. Crusse:

Thank you for your letter filed with the Commission on April 6, 1998, in which you request that the application for an original certificate in the above-referenced docket be denied.

In an attempt to address some of your concerns, please note that Zellwood Station Co-Op, Inc., is a utility already in existence, operating without a certificate. Pursuant to Section 367.045, Florida Statutes, Zellwood must apply for a certificate of authorization from this Commission. The Commission has never had the opportunity to establish rates for this utility. We appreciate the information regarding the developer agreement and the attachment of the agreement regarding rates. However, pursuant to caselaw and Section 367.011, Florida Statutes, the Commission has exclusive jurisdiction over a utility with respect to authority, service, and rates.

Your letter has been placed in the correspondence portion of this docket. On March 31, 1998, the Commission received a protest letter and request for a hearing filed on behalf of Banbury Village Association, Inc. Based on that letter of protest, a hearing has been tentatively scheduled for December 16-18, 1998. At the beginning of the hearing, customers will have an opportunity to address the Commission on this docket. We expect that the issues you raised in your letter to be fully litigated at the hearing. You will receive notice of the hearing at the appropriate time.
