INTERMEDIA COMMUNICATIONS INC.'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION

Intermedia Communications Inc. (Intermedia), hereby files pursuant to Rule 25-22.006, Florida Administrative Code, its Request for Confidential Classification, and states the following:

1. By letter dated July 10, 1998, the staff of the Florida Public Service Commission requested Intermedia to provide responses to its data request in connection with the above-captioned matter.

2. On August 14, 1998, Intermedia filed its response with a Request for Confidential Classification.

3. The information provided in response to staff's request includes the exact number of business and residential access lines and the specific exchanges where Intermedia provides local service. This information directly relates to Intermedia's competitive interests. Disclosure of this information would impair the competitive business interests of Intermedia by allowing

competitors to determine the specific markets where Intermedia conducts its business and to determine the exact number of access lines for residential and business services.

5. Attachment "A" to this Request identifies the page and line at which the confidential material is found, and correlates the page and line with the specific justification for confidential classification of the information.

5. Two copies of the information with the confidential information redacted are attached hereto as Attachment "B."

6. One highlighted copy of the information with the material which is confidential and proprietary is attached hereto in a sealed envelope as Attachment "C."

7. The information for which Intermedia seeks confidential classification is not publicly available. Intermedia has treated and intends to continue to treat the material for which confidential classification is sought as private, confidential information and this information has not been disclosed to the public.

WHEREFORE, based on the foregoing, Intermedia Communications Inc. respectfully requests that the Commission enter an order declaring that the information described above to be confidential proprietary business information, and thus not subject to public disclosure.

Respectfully submitted this 14<sup>th</sup> day of August, 1998.

INTERMEDIA COMMUNICATIONS INC.

**RATIONALE FOR THE INFORMATION SPECIFIED ABOVE:**

This information contains proprietary and confidential business information. This information provided in Column A shows the specific exchanges where Intermedia is actually providing services. The exact number of business access lines for each exchange is provided in Column B, and the exact number of residential access is provided in Column C. This information directly relates to Intermedia's competitive interests. Disclosure of this information would impair the competitive business interests of Intermedia by allowing competitors to determine the specific markets where Intermedia conducts its business and to determine the exact number of access lines for residential and business services. Pursuant to Section 364.183, Florida Statutes, the information thus is exempt from the disclosure requirements of Section 119.07, Florida Statutes.
