Dear Sir or Madam:

Study on Fair Rates (No.980000A-SP),

Sprint is the provider of local telephone service to the City of Marco Island. The rates for the service is excessive in my opinion, in view of the fact that we are limited in the numbers we can dial in the 941 dialing area. My suggestion is we be allowed to dial anywhere in the 941 dialing area at the local rate. If that is technically impossible, that we be allowed to call anywhere in a fifty mile radius.

Sincerely,

Octave D. & Patricia A. Pelletier
