On July 6, 1998, staff filed document 07059-98 consisting of staff working papers (Volume 5) prepared during the surveillance audit of Florida Public Utilities Company (FPU) for the 12 month period ended December 31, 1997. The utility requested at the June 25, 1998 audit exit conference that certain staff working papers be temporarily exempted from public access pursuant to Rule 22.006 (3)(a)(2), Florida Administrative Code (FAC).

More than twenty-one days have passed since the exit conference, and the utility has not filed a request for confidential classification. Accordingly pursuant to Rule 25-22.006(3)(a)(2), FAC, we recommend that the failure to file a request constitutes a waiver of confidentiality and that the audit working papers, Document No. 07059-98, be declassified and returned to the Division of Auditing and Financial Analysis.
