RE: DOCKET NO. 990342-TP - Determination of appropriate method of collecting and remitting 911 fees to the appropriate counties and providing accurate customer record information to the 911 coordinators.

Issue 1: Should the Commission order all certificated alternative local exchange companies to collect and remit the 911 fee to the appropriate 911 county coordinator pursuant to Section 365.171(13), Florida Statutes?

Recommendation: Yes. The Commission should order all certificated alternative local exchange companies to collect and remit the 911 fee, including all past due fees, to the appropriate 911 county coordinator pursuant to Section 365.171(13). This does not prevent an ALEC from entering into a billing arrangement with a LEC in order to bill and collect the fees. It only clarifies that the ALEC is ultimately responsible for the collection and remittance of the fees.
