## Public Service Commission

---

**DATE:** July 29, 1999

**TO:** All Pay Telephone Providers

**FROM:** Walter D'Haeseleer, Director, Division of Telecommunications 

**RE:** Proposed Fine Increase

---

Chairman Joe Garcia announced at the Agenda Conference yesterday that the proposed fines for apparent violations of the pay telephone rules are going to increase. Accordingly, staff will be recommending to the Commission a proposed fine of \$1,000 per repeat infraction of the rules.

Commission staff has been conducting random service evaluations of pay telephones across the state and has been sending letters notifying the providers of the apparent violations. Staff has then been reevaluating the pay telephones and if the same apparent violation was found, a show cause docket was opened. In the past, the recommended fines have been low; however, as a pay telephone service provider, you are required to be aware of, and comply with, the rule requirements.

If you receive a notice from staff of apparent violations, please be sure you understand what the apparent violation is and respond to staff within the time frame indicated in the letter. In your response, please indicate what was done to correct the problem, or if you could not duplicate the problem or disagree with the findings of staff, please so indicate on the return form. Additionally, you are always welcome to call us at anytime for clarification.

Failure to correct violations or to respond to staff will result in a recommendation by Commission staff to fine or cancel your certificate.
