RE: Docket No. 990988-WS - Investigation into the retention of the certificated area of Mad Hatter Utility, Inc. located on Lake Thomas and School Road in Pasco County.

Dear Ms. Johnson:

The purpose of this letter is to request the information that the Commissioner's asked for at the September 7, 1999, Agenda Conference. Please state whether or not you have submitted to Mad Hatter Utility, Inc. (Mad Hatter) an application, pursuant to Rule 25-30.310, Florida Administrative Code, for the initiation of utility service to the property in question. If yes, please include a copy of the application in your reply. If no, please state your reasons for not submitting an application and describe in full any informal attempts you have made to obtain service from Mad Hatter.

I have enclosed a copy of Rule 25-30.310, Florida Administrative Code, which pertains to the initiation of service. Additionally, I have enclosed Section One of Mad Hatter's water and wastewater tariffs. Section One is Mad Hatter's Service Availability Policy which describes the proper steps an applicant should take when trying to initiate utility service. Hopefully, Rule 25-30.310, Florida Administrative Code, and Mad Hatter's tariffs will answer any questions you might have concerning applications for the initiation of service.
