Dear Paula Isler, Division of Communications:

I am writing to you at this time to request that my certificate to supply pay phone service be canceled. My certificate # is (7105).

The reason for my request is that I am no longer in the pay phone business. It turns out that the pay phone business has not been profitable to me at all. Infact I have lost most of my investment and am very disappointed in the whole experience.

I would like to pay my regulatory assessment fee at this time. I am enclosing a check for \$50.00.

Thank you, for your time and have a nice day.

Sincerely: *Barry M. Johnson*
