I realize our oversight has created a problem, and I hope that your recommendation for a voluntary cancellation will be granted. This somewhat small business endeavor has cost our company a small fortune, and anything you can do would be greatly appreciated.

I have enclosed a check for the past due 1998 fees, interest and penalty, as well as the 1999 fee, please contact me as soon as we know the outcome of the fine.

Once again thank you for cooperation in this matter.

Sincerely,
