BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Adoption of Numeric Conservation Goals and Consideration of National Energy Policy Act Standards (Section 111) by Orlando Utilities Commission. DOCKET NO. 990722-EG
ORDER NO. PSC-99-2287-PCO-EG
ISSUED: November 22. 1999

ORDER GRANTING EXTENSION OF TIME

By motion filed November 15, 1999, Orlando Utilities Commission (OUC) requests an extension of time to file its direct testimony and proposed numerical conservation goals in this docket. Pursuant to Order No. PSC-99-2135-PCO-EG, issued October 28, 1999, the deadline for filing direct testimony and proposed goals in this docket is November 15, 1999. By its motion, OUC requests that it be granted an extension to file its direct testimony and proposed goals on November 29, 1999.

In support of its request, OUC asserts that it has encountered obstacles with regard to obtaining information necessary to file its testimony in a timely fashion. OUC also asserts that the short delay should not inconvenience any party. The only party to this proceeding other than OUC is the Executive Office of the Governor, which is a party pursuant to Section 366.82(2), Florida Statutes. The Executive Office of the Governor has indicated that it does not oppose OUC's motion. Because OUC has shown good cause for the requested extension and no party opposes the motion, OUC's request is hereby granted.

Good cause having been shown, it is therefore

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that Orlando Utility Commission's Motion for Extension of Time to File Goals and Testimony is hereby granted.
