RE: Docket No. 990817-WS - Application by Florida Water Services Corporation for amendment of Certificates Nos. 171-W and 122-S to add territory in Nassau County.

On June 24, 1999, Florida Water Services Corporation (FWSC or utility) filed an application to amend Certificates Nos. 171-W and 122-S in Nassau County. On July 21, 1999, Florida Public Utilities Company (FPUC) timely filed a protest to FWSC's application and requested a hearing. Accordingly, this matter had been scheduled for an administrative hearing on May 23 and 24, 2000.

The utility filed a Stipulated Motion for Stay of Case on November 9, 1999, requesting that all hearing and filing dates be suspended because FWSC and FPUC had reached a settlement agreement. By Order No. PSC-99-2235-PCO-WS, issued November 12, 1999, the motion was granted, in part, and the filing dates were suspended for a period of 45 days from the issuance date of the order. The parties were required to file a written settlement or a report that outlined dates certain for any other action which would resolve the pending protest. Pursuant to Order No. 99-2235-PCO-WS, the hearing and prehearing dates would remain in effect unless a written settlement agreement or report were filed. FWSC and FPUC filed a written settlement agreement on January 6, 2000. Therefore, staff believes it is appropriate to cancel the prehearing and hearing dates and schedule this matter for a future agenda conference on the settlement agreement.
