Docket No. 990517-TL

**PREHEARING STATEMENT
OF NEUSTAR, INC AS THE
NORTH AMERICAN NUMBERING PLAN ADMINISTRATOR**

NeuStar, Inc., as the North American Numbering Plan Administrator (“NANPA”), in its role as the neutral third party NPA Relief Planner for Florida under the North American Numbering Plan and pursuant to the November 1, 1999 Order Establishing Procedure (“Order”) issued by the Florida Public Service Commission (“PSC”) in the above-captioned proceedings, hereby submits its prehearing statement as directed by the PSC Order.

- (a) NANPA expects to call Thomas C. Foley, NPA Relief Planner, as a witness to admit into the record his prefiled direct testimony and attached exhibits (“Exhibits”), filed with the PSC on November 17, 1999 in the above-captioned proceedings. Mr. Foley will be prepared to answer cross examination questions regarding area code relief planning.

DOCUMENT NUMBER-DATE

04974 APR 21 8

FPSC-RECORDS/REPORTING

NANPA reserves the right to call additional witnesses to answer cross examination questions from commissioners and parties regarding number conservation and central office code administration.

- (b) Those Exhibits attached to the direct testimony of Thomas C. Foley constitute all known Exhibits that NANPA may rely upon. The Exhibits are as follows: (1) Exhibit TCF-1: Petition of the North American Numbering Plan Administrator on Behalf of the Florida Telecommunications Industry for Approval of a Relief Plan for the 305/786 Area Codes, and attachments thereto, originally filed with the PSC on August 4, 1999; (2) Exhibit TCF-2: Petition of the North American Numbering Plan Administrator on Behalf of the Florida Telecommunications Industry for Approval of a Relief Plan for the 561 and 954 Area Codes, and attachments thereto, originally filed with the PSC on July 7, 1999; and (3) Exhibit TCF3: Petition of the North American Numbering Plan Administrator on Behalf of the Florida Telecommunications Industry for Approval of a Relief Plan for the 904 Area Code, and attachments thereto, originally filed with the PSC on August 17, 1999. Mr. Foley will be the witness sponsoring all of the above-identified Exhibits.

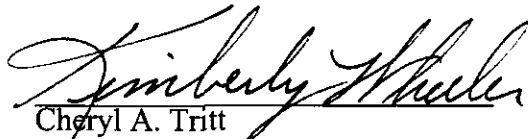

NeuStar reserves the right to introduce other exhibits for cross-examination or any other purpose authorized by the applicable Florida Rules of Evidence and rules of the PSC.

- (c) NANPA's basic position in these proceedings is that, in accordance with industry guidelines, NANPA's role is to facilitate the Florida telecommunications industry to reach consensus to recommend a single relief plan for the 305/786, 561, 954 and 904 NPAs to the Florida PSC. In furtherance of that goal and in accordance with industry guidelines, NANPA compiled and filed petitions with the PSC requesting approval of the industry's recommended relief plans for each of the area codes. A list of the petitions is

set forth in item (b) above. As a neutral third party administrator, NANPA has no independent view regarding the selected NPA relief plan.

- (d, e, f) As stated above, NANPA, as a neutral third party, does not have an independent view regarding the NPA relief plan ultimately ordered by the PSC. At this time, NANPA has no statement regarding which questions of fact, law or policy are at issue.
- (g) NANPA is aware of no stipulations.
- (h) With the exception of its original area code relief petitions listed in (b) above, NANPA has no other motions or other matters pending before the PSC in these proceedings; and
- (i) At this time, NANPA is aware of no requirement set forth in the Order with which it cannot comply.

Respectfully submitted,
