Re: Approval of the Resale Agreement by GTC, Inc. d/b/a GT Com and Atlantic.Net
Broadband, Inc. pursuant to Sections 251 and 252 of the Telecommunications Act
of 1996

Dear Ms. Bayo:

Pursuant to Section 252(e) of the Telecommunications Act of 1996, GTC, Inc. d/b/a GT Com and Atlantic.Net Broadband, Inc. ("Atlantic.Net") are submitting to the Florida Public Service Commission their negotiated agreement for the purchase of GT Com's telecommunications services for the purpose of resale to end users by Atlantic.Net.

Pursuant to Section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between GT Com and Atlantic.Net within 90 days of its submission. The Act provides that the Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties aver that neither of these reasons exist as to the agreement they have negotiated and, therefore, respectfully request that the Commission approve their agreement.

WITNESSETH

WHEREAS, GT Com is a local exchange telecommunications company authorized to provide telecommunications services in the state of Florida; and

WHEREAS, Atlantic.Net Broadband, Inc. is or seeks to become an alternative local exchange telecommunications company authorized to provide telecommunications services in the state of Florida; and

Whereas, Atlantic.Net Broadband, Inc. desires to resell GT Com's telecommunications services; and

WHEREAS, GT Com has agreed to provide such services to Atlantic.Net Broadband, Inc. for resale purposes and pursuant to the terms and conditions set forth herein;

THEREFORE, for and in consideration of the mutual premises and promises contained herein, GT Com and Atlantic.Net Broadband, Inc. agree as follows:

I. Definitions

- A. For purposes of this Agreement, the following terms, whether or not capitalized, shall have the following meanings (all terms defined in the singular to have the same meaning when used in the plural and vice versa):
1. ACT means the Telecommunications Act of 1996, Public Law 104-104 of the 104th United States Congress effective February 8, 1996.
 2. ALTERNATIVE LOCAL EXCHANGE COMPANY (ALEC) means a telephone company certificated by a Commission to provide local exchange service within the Company's franchised area.

3. CUSTOMER OF RECORD means the entity responsible for placing application for service; requesting additions, rearrangements, maintenance or discontinuance of service; payment in full of charges incurred such as non-recurring, monthly recurring, toll, directory assistance etc.
4. COMMISSION means the commission, board, or official (by whatever name designated) which under the laws of Florida has regulatory jurisdiction with respect to intrastate operations of Carriers. As referenced in this party, this term may include the Federal Communications Commission if it assumes the responsibility of the state commission, pursuant to section 252(e)(5) of the Act. This term shall also include any person or persons to whom the state commission has delegated its authority under sections 251 and 252 of the Act.
5. DEPOSIT means assurance provided by a customer in the form of cash, surety bond or bank letter of credit to be held by the Company.
6. END USER means the ultimate user of the telecommunications services.
7. END USER CUSTOMER LOCATION means the physical location of the premises where an end user makes use of the telecommunications services.
8. FCC means Federal Communications Commission.
9. NEW SERVICES means functions, features or capabilities that are not currently offered by GT Com. This includes packaging of existing services or combining a new function, feature or capability with an existing service.
10. RESALE means an activity wherein a certificated ALEC, such as Atlantic.Net Broadband, Inc. subscribes to the telecommunications services of the Company and then re-offers those telecommunications services to the public (with or without "adding value").
11. RESALE SERVICE AREA means the area, as defined in a Commission approved certificate of operation, within which an ALEC, such as Atlantic.Net Broadband, Inc. may offer re-sold local exchange telecommunications service.
12. TELECOMMUNICATIONS SERVICES shall have the meaning set forth in 47 USC § 153(6).

13. WHOLESALE SERVICE means Telecommunication Services that GT Com provides at retail to subscribers who are not telecommunications Carriers as set forth in 47 USC § 251 (c)(4).

B. The Parties acknowledge that terms may appear in this Agreement which are not defined and agree that any such terms shall be construed in accordance with their customary usage in the telecommunications industry as of the effective date of this Agreement or, as applicable, as such term is defined in the Act.

II. Term and Termination of Agreement

A. The term of this Agreement shall be two years beginning April 10, 2000 and shall apply to all of GT Com's service territory as of January 1, 1998 in the state of Florida.

B. This Agreement shall be automatically renewed for an additional one year period unless either Party indicates its intent not to renew the Agreement. Notice of such intent must be provided, in writing, to the other Party no later than 60 days prior to the end of the then-existing contract period. Unless a party notifies the other party of its intent not to renew this Agreement in accordance with the preceding provisions, the terms of this Agreement shall remain in effect after the term of the existing agreement has expired and while a new agreement is being negotiated.

C. Either party may terminate this Agreement at any time by providing written notice of termination to the other party, such written notice to be provided at least 90 days in advance of the date of termination. In the event of such termination, service arrangements made available under this Agreement and existing at the time of termination shall continue without interruption under either (a) a new agreement executed by the Parties, or (b) standard terms and conditions contained in GT Com's tariff or other substitute document that are approved and made generally effective by the Commission or the FCC.

D. In the event of a default, the non-defaulting Party may terminate this Agreement in whole or in part provided that the non-defaulting Party so advises the defaulting Party in writing of the event of the alleged default and the defaulting Party does not remedy the alleged default within 60 days after written notice thereof. Default is defined to include:

1. Either Party's insolvency or initiation of bankruptcy or receivership proceedings by or against the Party; or
2. Either Party's material breach of any of the terms or conditions hereof, including the failure to make any undisputed payment when due.

- E. Notwithstanding anything herein to the contrary, should GT Com sell or trade substantially all the assets in an exchange or group of exchanges that GT Com uses to provide Telecommunications Services, this Agreement shall terminate as of the closing date of such sale or trade. However, GT Com shall provide Atlantic.Net Broadband, Inc. with at least one-hundred fifty (150) calendar days' prior written notice of such termination, which shall be effective on the date specified in the notice.
- F. Termination of this Agreement for any cause shall not release either Party from any liability which at the time of termination has already accrued to the other Party or which thereafter may accrue in respect to any act or omission prior to termination or from any obligation which is expressly stated herein to survive termination.

A. Scope

- 1. Atlantic.Net Broadband, Inc. may resell the tariffed local exchange and toll telecommunications services of GT Com contained in the General Subscriber Service Tariff and Private Line Service Tariff subject to the terms and conditions specifically set forth herein. Services that are not retail Telecommunications Services and, thus, are not covered by this Agreement and not available for resale at wholesale prices include, but are not limited to, Voice Mail/Message Line, Paging, Inside Wire Installers and Maintenance, CMRS services, Lifeline services and similar government programs (underlying Telecommunications Service will be resold but Atlantic.Net Broadband, Inc. must qualify its offering for these programs), promotions of less than ninety (90) days and Employee Concessions.  - d. The Company reserves the right to periodically audit services purchased by Atlantic.Net Broadband, Inc. to establish authenticity of use. Such audit shall not occur more than once in a calendar year. Atlantic.Net Broadband, Inc. shall make any and all records and data available to the Company or the Company's auditors on a reasonable basis. The Company shall bear the cost of said audit, except as follows. If the audit reveals inappropriate usage by (i) Atlantic.Net Broadband, Inc. or (ii) by any Atlantic.Net Broadband, Inc. end user and if Atlantic.Net Broadband, Inc. knew or reasonably should have known of such inappropriate use, then Atlantic.Net

Atlantic.Net Broadband, Inc. is strictly prohibited from any use, including but not limited to sales, marketing or advertising, of any GT Com name, trademark or service mark or other proprietary right. This paragraph shall confer no rights on a Party to the service marks, trademarks and trade names owned or used in connection with services by the other Party or its Affiliates, except as expressly permitted by the other Party.

C. Pricing

1. GT Com shall make available to Atlantic.Net Broadband, Inc. telecommunications services for resale at the rates set forth in Exhibit B to this Agreement and subject to the exclusions and limitations set forth in Exhibit A to this Agreement. GT Com does not, however, waive its rights to appeal or otherwise challenge any decision regarding resale that results in the discount rates contained in Exhibit B or the exclusions or limitations contained in Exhibit A. GT Com reserves the right to pursue any and all legal and/or equitable remedies, including appeals of any such decisions. If such appeals or challenges result in changes in the discount rates or exclusions and limitations, the Parties agree that appropriate modifications to this Agreement will be made promptly to make its terms consistent with the outcome of the appeal or challenge. Additional rates for new or additional services shall be added at the time said new or additional services are offered.

If a Party receives a subpoena for information concerning an end user the Party knows to be an end user of the other Party, it shall refer the subpoena back to the requesting Party with an indication that the other Party is the responsible Company, unless the subpoena requests records for a period of time during which the Party was the end user's service provider, in which case the Party will respond to any valid request.
3. If a Party receives a request from a law enforcement agency for temporary number change, temporary disconnect or one-way denial of outbound calls for an end user of the other Party by the receiving Party's switch, that Party will comply with any valid emergency request. Neither Party shall be held liable for any claims or damages arising from compliance with such requests on behalf of the other Party's end user and the Party serving such end user agrees to indemnify and hold the other Party harmless against any and all such claims.
