Pantel Communications, Inc.

Dear Mr. Olson:

The Commission's Division of Records and Reporting forwarded a copy of your letter dated March 22 to me for handling. You advised that Pantel had discontinued operations, is insolvent, and out of business, and you requested that Pantel be removed from our "active" file.

There are two types of cancellations. One is voluntary, which is requested by the company, and in which the company has no outstanding balance with the Commission. The other is involuntary, in which the certificate is canceled on the Commission's own motion for a rule, tariff, or Order violation. In this case, Pantel has a past due balance of \$78.92. In order for me to recommend a voluntary cancellation, the past due balance would have to be paid in full.

Enclosed is a breakdown of the \$78.92 and a copy of our rule dealing with requests for cancellations. Please respond in writing by May 18 and let me know how you wish me to proceed. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.

Sincerely,

Subject: RE: Possible voluntary cancellation request

Toni, they owe back P&I and have not paid 1999 RAFs, so we cannot grant them a voluntary cancellation. Give to me and I'll handle with my other cancellation dockets. Thanks.

Subject: Possible voluntary cancellation request

Company Code TI356
Cert No. 3993
Pantel Communications, Inc.

The company responded to one of Nonnye's update letters with a letter stating they were no longer in business, were insolvent, and requested we remove them from our files. I am interpreting this as a request for voluntary cancellation.

Can you check to see if they owe RAF's. If they are insolvent and can't or won't pay the RAF's due, will this be a cancellation you would handle as involuntary?

Let me know how you think I should handle this one.

Thank you.
