ORDER APPROVING SETTLEMENT OFFER

BY THE COMMISSION:

On April 17, 1999, Atlantic.Net Broadband, Inc. (Atlantic.Net) obtained from this Commission Alternative Local Exchange Company Certificate Number 6070. Thereafter, on June 25, 1999, our staff mailed a certified letter to Atlantic.Net requesting information necessary for inclusion in the local competition report we are required to submit in accordance with Section 364.386, Florida Statutes. The staff requested a response by August 6, 1999. On July 6, 1999, Atlantic.Net signed for the certified letter. Atlantic.Net did not, however, respond to the letter.

On December 6, 1999, our staff sent a second certified letter asking Atlantic.Net to respond to the data request by no later than December 22, 1999. Again, Atlantic.Net did not respond. Therefore, on February 22, 2000, this docket was opened to investigate whether Atlantic.Net should be required to show cause why it should not be fined or have its certificate canceled for apparent violation of Section 364.183(1), Florida Statutes, Access to Company Records.
