**FROM:** Division of Competitive Services (Isler) *Pij*  
**RE:** Docket No. 991356-TC - Cancellation by Florida Public Service Commission of PATS Certificate No. 6007 issued to Larry W. Boyd d/b/a L & M Communications for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies.

Order No. PSC-99-2498-PAA-TC was issued on December 20, 1999. The company had until January 10, 2000 to protest. On January 14, Consummating Order No. PSC-00-0126-CO-TC was issued.

Subsequent to the issuance of the Consummating Order, on January 3, 2000, the company filed its 1999 Regulatory Assessment Fee (RAF) form and at the same time, notified the Commission of its new reporting requirements. On February 21, staff requested that the docket be reopened based upon the company filing its 1999 RAF, along with the updated reporting requirements.

Upon further review, staff has determined that the updated reporting requirements received from the company does not constitute a timely-filed response to the Commission's Proposed Agency Action Order in compliance with Rule 28-106.201, F.A.C. Accordingly, staff requests that Docket No. 991356-TC be closed and the company's certificate canceled with an effective date of January 14, 2000. Let me know if you have any questions.
