**BELLSOUTH TELECOMMUNICATIONS, INC.'s NOTICE OF  
INTENT TO REQUEST TEMPORARY WAIVER OF PHYSICAL  
COLLOCATION REQUIREMENTS IN THE  
J. T. BUTLER CENTRAL OFFICE**

COMES NOW, BellSouth Telecommunications, Inc. ("BellSouth" or "Company"), and files its Notice of Intent to request a temporary waiver of the physical collocation requirements in the J. T. Butler Central Office pursuant to Order No. PSC-99-1744-PAA-TP issued September 7, 1999.

1. BellSouth is unable to provide physical collocation in this office due to issues arising between BellSouth and the owner of the building. The owner of the building requires a sub-lease arrangement for collocation. Under the lease, one or more sublease arrangements waives and terminates BellSouth's right to renewal options and options to lease additional space.
2. BellSouth has attached the detailed diagram as required by PSC-99-1744-PAA-TP.
3. BellSouth will file its petition for waiver 20 days from the date of this filing.

4. The original of this notice has been filed with the Division of Records and Reporting.

5. As of this date, there have been seven inquiries for collocation space in this office, six of which have become firm orders. BellSouth, however, has reached an impasse with the owner of the building. Therefore, BellSouth is moving forward with the request for temporary waiver at this time.

Respectfully submitted this 27th day of June, 2000.
