Re: Complaint of Allied Universal Corporation and Chemical Formulators, Inc.
against Tampa Electric Company; FPSC Docket No. 000061-EI

TRANSMITTAL OF CONFIDENTIAL DOCUMENTS

Dear Ms. Bayo:

Enclosed, pursuant to Tampa Electric's earlier requests for confidential classification, are the Commission Staff's copies of the following responses to Allied/CFI's Request for Production of Documents Nos. 1-5 and 9-18, along with a copy of Tampa Electric's revised answers to Allied/CFI's Interrogatory No. 4, 5, 10 and 11 (revised August 14, 2000). These documents contain confidential proprietary business information the public disclosure of which would be harmful to Tampa Electric and its general body of ratepayers and we request that you protect this information from public disclosure, pursuant to Section 366.093, Florida Statutes, and Commission Rule 25-22.006, Florida Administrative Code.

By way of a separate copy of this letter of transmittal, we are advising the Staff of this filing with your office.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
