RE: Water/Sewer Lines

Dear Director:

As a citizen and resident of Nassau County, I live in the area whereby United Water Florida, Inc. has applied to the Florida Public Service Commission to extend their water/sewer lines through our communities. ***I hereby object*** to this and would not be willing to pay \$8,000.00 to \$15,000.00 for this service, nor would I be willing to be charged a monthly water/sewer fee and the cost per linear foot of water/sewer pipe that would be required to my road.

Again, as a resident of this area, I hereby object to any such proposal stated above.

Thank you for hearing our objection. I look forward to a favorable reply.

Sincerely,

K. A. Grant
