Dear Director,

This letter is written in opposition to an application of United Water Florida, Inc. to extend their services down Blackrock Road. The application is on Page 6C of the Fernandina Beach News Leader.

I feel that this is to appease one developer at the expense of the local citizens. I also feel that this has been done so quietly that most people in the area knew nothing of it until August 30th.

Would appreciate any help and advice in this matter.

Sincerely

Herman L. Aldridge
