R+R

This is a letter to propose a settlement due to failure of our company, KCI Original, Inc, of paying and filing the Pay Telephone Service Provider Regulatory Assessment Fee Return. Our Docket # is 001133. Although we applied for permission to do business as a pay phone provider, we have not yet purchased any pay phones, therefore have not yet actually done business in that sense. We are still in the process of buying pay phones, therefore, we do not wish to cancel our certificate.

~~Due to ignorance on our~~ We thought that we had sent the return ~~to~~ back to the FCC at the beginning of the year, but we did not know we had to pay \$5

Since we did not have pay phones and were not familiar with the procedures, we would like to propose to pay \$100 plus the cost of the late return, 66.50, which is enclosed. We will make sure in the future to pay the fee in a timely manner. We hope that you will accept
