Re: Approval of the Collocation Amendment Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Maxcess pursuant to Section 252(e) of the Telecommunications Act of 1996

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and Maxcess are submitting to the Florida Public Service Commission their negotiated amendment for collocation. The Commission approved the initial agreement between the companies in Order No. PSC-00-2027-FOF-TP issued June 9, 2000 in Docket 000508-TP.

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting the collocation amendment between BellSouth and Maxcess within 90 days of its submission. The Commission may only reject such an amendment if it finds that the amendment or any portion of the amendment discriminates against a telecommunications carrier not a party to the amendment or the implementation of the amendment or any portion of the amendment is not consistent with the public interest, convenience and necessity. Both parties represent that neither of these reasons exist as to the amendment they have negotiated and therefore, are very hopeful that the Commission shall approve their amendment.

Very truly yours,

Regulatory Vice President
