RE: Docket No. 000081-TI (Item No. 17) - Request by International Exchange Communications, Inc. d/b/a IE COM (holder of IXC Certificate No. 5798) and NOSVA Limited Partnership (holder of IXC Certificate No. 3560) for approval of an asset purchase agreement whereby IE COM will purchase and NOSVA will sell the international operating division of NOSVA, including all customers thereof.

Docket No. 000462-TP (Item No. 18) - Application for transfer of control of Florida Digital Network, Inc. (holder of ALEC Certificate No. 5715 and IXC Certificate No. 7048) to Elantic Communications, Inc., whereby Florida Digital will become a direct, wholly owned subsidiary of Elantic.

We are requesting the deferral of Items Nos. 17 and 18 filed in the above-referenced dockets presently scheduled to be heard at the November 28, 2000, Agenda Conference. These items recommend corrections to scrivener's errors in Orders Nos. PSC-00-2064-FOF-TI and PSC-00-2120-FOF-TP, respectively. Staff has recently discovered, however, that scrivener's errors exist within those recommendations. Therefore, staff requests that these items be deferred until the December 19, 2000, Agenda Conference to allow staff sufficient time to modify its recommendations to correct these errors.
