I'm writing in regards to your Docket Number 001300-TI containing the proposed PSC Certificate cancellation of Discount Utilities, LLC.

Enclosed is a check for our 1999 RAF plus the statutory penalty and interest for a total of \$67.50. Our 1999 RAF report was filed in April but I failed to pay the minimum fee of \$50, it was just an oversight. We do not currently do any business in Florida and I simply overlooked the minimum fees due. To prevent this from happening in the future, I will be creating a position here at Discount Utilities, LLC to handle all regulatory filings.

I understand there is normally a \$500 fine imposed for this violation, and I will pay such fine if the commission does not cancel our certificate.

I can be reached by telephone at 219-583-6560 or by fax at 877-417-1224.
