**AGENDA:** 12/19/00 - REGULAR AGENDA - INTERESTED PERSONS MAY PARTICIPATE

**CRITICAL DATES:** NONE

**SPECIAL INSTRUCTIONS:** NONE

**FILE NAME AND LOCATION:** S:\PSC\CMP\WP\001012.RCM

### CASE BACKGROUND

On August 1, 2000, BellSouth Telecommunications, Inc. filed with the Commission a petition requesting approval of a Negotiated Paging Interconnection agreement and name change amendment with Action Communication, Inc. (now North American Software Associates, LTD). The Commission approved the petition at the October 17, 2000, Agenda Conference. However, after the vote, staff determined that technicalities existed within the agreement that require further review.

For the reason described above, on November 17, 2000, and December 1, 2000, at the request of Commission staff, BellSouth Telecommunications, Inc. filed revisions to its original petition. Staff believes that the following recommendation is appropriate in the disposition of these matters.

DOCUMENT NUMBER-DATE

15708 DEC-78

FPSC-RECORDS/REPORTING

**DISCUSSION OF ISSUES**

**ISSUE 1:** Should the Commission reconsider its vote at the October 17, 2000, Agenda Conference and approve the one-way interconnection agreement and name change amendment between BellSouth Telecommunications, Inc. and Action Communications, Inc. (f/k/a North American Software Associates, LTD) as amended by the parties?

**RECOMMENDATION:** Yes. The Commission should reconsider its vote and approve the one-way interconnection agreement and name change amendment, as amended by the parties.

**STAFF ANALYSIS:** As stated in the Case Background, the Commission approved this agreement at the October 17, 2000, Agenda Conference. However, due to technicalities in the agreement, staff found it appropriate to further review the agreement. Upon request from staff, on November 17, 2000, and December 1, 2000, BellSouth Telecommunications, Inc. filed revisions to its original petition. Staff believes that this agreement and name change amendment, as amended by the parties, comply with the Telecommunications Act and should be approved. The Commission is vested with jurisdiction on this matter pursuant to Sections 251 and 252 of the Telecommunications Act.

**ISSUE 2:** Should this docket be closed?

**RECOMMENDATION:** Yes. If the Commission approves Issue #1, this docket should be closed upon issuance of the Commission's Order.

**STAFF ANALYSIS:** Since no further Commission action is necessary, this docket should be closed upon issuance of the Commission's Order.
