Due to the clarifying letter of April 18, 2001, Document No. 04897, filed on April 19th in Docket No. 010420-TI, please change the title of the docket to the following:

Petition for approval of internal reorganization whereby GE Capital Communication Services Corporation d/b/a GE EXCHANGE and d/b/a GECCS and d/b/a GE Com (GECCS), holder of IXC Certificate No. 3194, will merge with GE Capital Telemangement Services Corporation (GECTS), its wholly owned subsidiary, with GECTS as surviving entity, and for approval of transfer of and name change on Certificate No. 3194 from GECCS to GE Capital Telemangement Services Corporation.

Linda, GE Business Productivity Solutions, should be removed from the list of Utilities in CMS. That name is not registered with Sec. of State and will not be the new name on the certificate at this time. Thank you.
