RE: Docket No. 010727-EI 07-10-01 Agenda (TECO Credit Card tariff)

After reviewing the tape recording of the discussion and vote on this item (Item 12, 7/10 ag), I agree the vote sheet does not reflect the motion approved on this item. Commissioner Jaber moved that an order be issued acknowledging withdrawal of the tariff filing and closing the docket, and the motion was seconded and passed.

I'll correct the vote sheet in the docket file accordingly, and have the corrected version scanned in place of the version on-line now.

The order you (Bob) prepared can be sent to us for issuance.

Kay

I have listened to the tape of this agenda item three times and I believe the vote sheet does not reflect the motion that was ultimately approved. While there was extensive discussion concerning staff administratively closing the docket, the motion voted out be the Commission directed legal staff to issue an order acknowledging the withdrawal of the petition and closing the docket. I have prepared an order to do just that, and will provide it to the Commissioners as requested. I will not forward it to records until after the question of the vote sheet vs. the motion is resolved.
