Robyn,

I haven't received a corrected transmittal letter or agreement with regard to this Docket. The full CLEC name is ITC^DeltaCom Communications, Inc. d/b/a ITC^DeltaCom d/b/a Grapevine\*. The administrative order acknowledging the CLEC name change was dated March 21, 2003, and the instant amendment was executed on May 9, 2003 and May 14, 2003, respectively, and as such the name in this amendment should reflect the complete name of the CLEC. Please let me know when a correction will be filed.

\*When the CLEC name is not correctly noted, the agreement is not searchable by the CLEC name in our records.

Jeff:

I received your message. I will file all corrections you have inquired about today. I do apologize again. I am making all effort to go through the open dockets to ensure that duplicates are not filed or to withdraw any duplicates that may have been already filed. I have filed a few withdrawals.

I am still in the process of getting all of the backlogs filed. As far as the wording, just bear with me - I am still in the learning process. I think that I have it though.

Again thank you for your patience. The best way to contact me is usually via email. I'm in and out of the office and constantly away from my desk. I will try and return your calls ASAP, however, I will most likely contact you via email sooner.

THanks.  
Robyn

Robyn,

We previously discussed this amendment because the CLEC name is incomplete and is missing a d/b/a. The amendment was executed after the CLECs name change and I believe the agreement should be corrected to reflect the complete name. The name change was made in Docket No. 030195-TP and the Administrative Order was issued on March 21, 2003.

I filed a CASR revision to change the memo date and close dates to July 6, 2004 and July 7, 2004 respectively to allow BellSouth to refile the agreement. Can you please give me an idea of when you will be filing the correction?
