Subject: Hozae Milton d/b/a Florida Commercial Payfon, Inc. - PATS application

FYI, we received today an application for PATS cert from Mr. Milton, which included a copy of a letter dated 4/8/04 from the AG's office listing what must be done for "reinstatement." One of the requirements was that he petition the PSC for reduction of the \$10,000 penalty. I don't find a petition included in the app.

We'll go ahead and open a docket (040578-TC), assign a new company code, and I expect staff (tech or attorney) will contact Mr. Milton concerning filing a petition?

Kay

P.S. A docket where a similar situation occurred is 020468-TC.

Division of RCA

Dear Management:

I would like to highlight some things for you, with hopes and dreams to hear something back from you soon. As you know I have been sending you different correspondences pertaining to tragic events that I have been going through since the year 2000.

First, you probably already know in the year 2001 a listening device was planted without my consent on me. Since then different tragic events like the terrorist attack on New York City happened, terrible car and truck accidents have been following me everywhere, and Pop Stars through the world has been dieing.

I have been trying to communicate with you, through letters, with pressure from radiation, and thousands of people following me in and out of my home and office location, to explain that all these tragic events look directly connected to me and different problems I am having with my company.

I can give you a little history of this company and a few names of different individuals that have been in and out of this place of business since the start. First, Earl Baker a black male was here since 1997 doing accountant work and Taxes, but not an employee. He stopped visiting the first quarter of 2004 and left all accounting work to me with no instructions and or why he left.

William Ware and Greg Sharp two white males introduced their self to Florida Commercial Payfon in the last quarter of 1997 or the first quarter of 1998. William Ware was not a permanent employee of this company, but did a little outside work and was not here very long. He left pretty fast for no apparent reason. He left happy like any individual normally do, in 1998.

Greg Sharp stayed in and out for a pretty long time and became a very good friend that would come around and visit or speak often. He always was switching back and forth on different jobs and was not a permanent employee of this company, because it was not enough funding to support him.

He stopped visiting in 2001, after Pop Star Aaliyah and Lisa Left Eye Lopez died alone with those tragic events on September 11, 2001, the terrorist attacks on new York City. All these tragic events look directly focus to destroy my company and me personally, with this listening/Memory Device planted in my mouth.

Now, ever since I have been going straight home and avoiding the streets, also trying to stay focus by reading different books and novels with radiation and problems targeting my mind. I have attached are some names and titles of different books and

Authors that have been pulling information directly out of my head. All are as follow: 1). Sara Paretsky **Total Recall** a V.I. Warshawski Novel, 2). **Harry Potter** a J.K. Rowling Novel, 3). **Living history** by Hillary Rodham Clinton, 4). **Armageddon** by Tim Lahaye and Jerry B. Jenkins, 5). **A Lawyers Life** with David Fisher by Johnnie Cochran, 6). **My Life** by Bill Clinton, 7). **The Da Vinci Code** by Dan Brown author of Angels & Demons, and 8). **Shock** by Robin Cook Putnam.

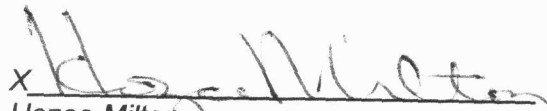

It is not just books, I also hear and see everything from CD's to Movies and even Star's are using faces and old memories in codes and unseen events from my life, that I am not being paid for and can not prove without help from someone that know. If you can connect me to the right people, I would very much appreciate it.

Also, I would like this listening device removed, because it has almost completely destroyed my company, and attracts trouble to everyone I speak to, that is why I am not able to hire an Attorney to help.

To end, since March of 2004 our certificate has been cancelled and we are at a \$5,000.00 coin gross lost per month. Which has put our company in great debt that will force us to close our doors completely before the summer of 2005, due to the lost of revenue and the continuing maintenance and care for this company.

Should you have any questions please do not hesitate to contact me at 904-786-2040 or by fax at 904-786-1421.

Sincerely,

x 

Hozae Milton
Florida Commercial Payfon, Inc.
