DOCKET NO. 050188-EI

ORDER NO. PSC-05-0622-PCO-EI

ISSUED: June 6, 2005

ORDER GRANTING INTERVENTION

On May 6, 2005, the South Florida Hospital and Healthcare Association (SFHHA) filed a Petition to Intervene in this proceeding. SFHHA supports its petition for intervention by stating that it is an association that receives electric power, and pay rates for that power, in Florida Power & Light's (FPL) service territory. SFHHA argues that the disposition of this case may affect the rates it pays FPL, as well as the terms and conditions of service for the healthcare institutions connected to FPL's facilities. As a result, the SFHHA asserts that it has an interest in the proceeding that is not adequately represented by other parties in this proceeding. On May 12, 2005, FPL filed a response to SFHHA's petition to intervene, but did not specifically object to SFHHA's participation in this docket.

Upon consideration and review of SFHHA's Petition to Intervene, it appears that SFHHA's substantial interests may be affected by this proceeding. Further, FPL did not express opposition to SFHHA's request to intervene, and the time for doing so has elapsed. Therefore, the Petition to Intervene shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, SFHHA takes the case as it finds it.

Therefore, it is

ORDERED by the Florida Public Service Commission that the Petition to Intervene filed by the South Florida Hospital and Healthcare Association is hereby granted. It is further

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
