Re: Fairmount Utility - Area Expansion

Dear Mr. Redemann:

The Walgreen Company is proposing to construct a new drug store on US 27 at the corner of Cornell Road in Sebring. The site is currently within the service area of the Fairmount Utilities, The 2<sup>nd</sup>, Inc. The construction of this store makes it necessary to construct a storm retention pond that will be on property currently owned by the Sun Trust Bank. The area needed happens to be the drainfield area for the bank's septic system. The proposal is to connect the bank into the Fairmount wastewater treatment plant and eliminate the septic system. This will necessitate expanding the Fairmount service area for this one property.

Enclosed for your review and approval are five copies of the Initial Application for Quick Take Amendment including the necessary exhibits, the \$100 filing fee and five copies of the Follow Up Application For "Quick Take" Amendment of Certificate.

Construction of the store is expected to begin by mid September and the storm pond may be one of the first items constructed.

Thank you for your time and attention.

Very truly yours,

Charles S. Freed, P.E.
