RE: Docket No. 060198-EI - Requirement for investor-owned electric utilities to file ongoing storm preparedness plans and implementation cost estimates.

VIA ELECTRONIC MAIL

Please note that an informal meeting between Commission staff and the municipal electric utilities and the electric cooperative utilities participating in the above-referenced dockets, has been scheduled for the following time and place:

Tuesday, August 8, 2006, at 1:30 p.m.
Betty Easley Conference Center, Conference Room 140 (Internal Affairs Room)
Florida Public Service Commission
4075 Esplanade Way
Tallahassee, Florida 32399-0850

The purpose of the meeting is for the municipal electric utilities and the electric cooperative utilities to provide further clarification to Commission staff regarding their proposed Storm Implementation Plans (see Order No. PSC-06-0351-PAA-EI, issue April 25, 2006, in Docket No. 060198-EI) and Pole Inspection Plans (see Order No. PSC-06-0144-PAA, issued February 27, 2006, in Docket No. 060078-EI). Information provided to date as part of association or utility filings and presentations on these matters has been helpful. However, staff believes that further discussion and clarification regarding the utilities' plans to voluntarily comply with the provisions contained in each of these orders is necessary.

CMP Parties and interested persons may participate in this meeting by dialing (850) 410-0968 or SunCom 210-0968. If you have any questions about the meeting, please call Rosanne Gervasi at (850) 413-6224.
